Barkham Blue(V*)

(Award Winning Local Cheese)

The deep yellow moist interior is spread with dark blue. It has a rich blue taste, smooth buttery texture with a melt in the mouth flavour, without the harshness associated with some blue Cheeses

Oxford Blue(V*)

In 1994 Baron Pouget first developed the recipe for Oxford Blue which, over a period of time, was adjusted and refined to its present form: a creamy semi soft blue Cheese

Wigmore(V*)

Sweet delicate Sheep's Milk Cheese made by Anne & Andy Wigmore, Reading, Berkshire

Rosary Ash(V*)

Light & zesty Goat's Milk Log made by Chris Moody in the village of Landford in Wiltshire, rolled in Ash. The traditional covering for young Goat's Cheese

Waterloo(V*)

Waterloo is an unpasteurised cows' milk Cheese. A mould-ripened soft Cheese, with a yellow interior. The rind is a grey/rust colour and the Cheese itself is runny, buttery and lightly salty towards the outside, with a firmer consistency and more acidic flavour towards the centre.

Hampshire Rose(V*)

The very best batches of our Woodfalls Cheeses are matured for six months to bring you Hampshire Rose, a firmer textured, deeper flavoured Cheese that still retains the unique creamy taste of our Ayrshire cow's milk

Spewood(V*)

A hard-pressed Cheese made from unpasteurised Ewe's Milk, fully matured for six months with a natural rind. Well developed nutty flavour similar to Parmesan.

Tunworth*

Award Winning Cheese with a long-tasting nutty and sweet milky flavour.

*Served with Homemade Fig Chutney, Quince Jelly
and an assortment of Savoury Biscuits*
